## ***Income Security for the 21st Century***

### **VOLUNTEERS NEEDED**

We are looking for people who are living on a low income and are not eligible for federal income support (EI and the Canada Recovery Benefits) to participate in a research interview. As a participant in the research, you will be asked about your experiences living on a low income and how to improve income security for Canadians. The interview will take approximately one hour by Zoom or phone. If you agree to participate, you may choose to be video or audio recorded or not recorded.

Participants will receive a \$40 honorarium. Reimbursement for child care expenses is available. If you are interested and would like to be selected, please email:
